DEAR PERFORMING ARTS SUPPORTERS

The Ruby Karen Project presents various circus aerial dance performances, such as past productions, "HOLIDAY ON AIR", "AIRBORNE", and the upcoming, "NIGHTMARE ON AIR" at the Village Theater in Orange on October 23 & 24, featuring OC's local talents and home based company, the Orange County Aerial Arts. This new production will feature a variety of aerial and ground acts covering standard and inventive apparatus as well as fused dance style such as ballroom, african and contemporary modern. RKP has also invited selected artists and choreographers including Lacy Philips of Wizard of Oz.

A not for profit organization, the Ruby Karen Project aims to reach out and educate the locals to a novelty performance entertainment and at the same time, be able to introduce Aerial Arts and Dance combined with Fitness as a form of keeping the citizen's healthy and fit, through classes it teaches at various cities in OC.

In keeping with its mission, the Ruby Karen Project urges your help in supporting its projects. By sponsoring its productions and school, you are funding not only the artists who devote and donate much of their time and talent for this cause, but help in the ongoing education of aerial arts in the community.

Attached you will find various levels of sponsorship. Please fill out the form so we may process your contribution as soon as possible.

All donations are tax-deductible and payable to:
